Knowledge and Understanding of the World (History/Geography)

The children will be learning about Julius Caesar's attempted invasion, the power of the Roman army, and how they successfully invaded Britain and extended the Roman Empire.

Where the Roman Empire was; including the Romanisation of Britain comparing what it was like before and after and the impact that was left behind.

Comparing the geographical features of Roman; Pompeii, and comparing Roman Chichester to present Chichester.

British resistance; including Boudicca and the Celts.

Knowledge and Understanding of the World (Science)

The human skeleton (internal armour) and how the Romans made armour to protect it further.

Rocks/volcanos.
